

2020-2021 Provisional Membership Application Form

The Junior League of San Angelo (JLSA) is an organization of women committed to promoting volunteerism, developing the potential of women, and improving the community through the effective leadership of trained volunteers. Its purpose is exclusively educational and charitable. The Junior League of San Angelo strives to promote health and wellness among children in San Angelo by providing and assisting them with access to food, clothing and nutritional, educational and physical education.

New members in JLSA are called Provisionals, and they complete a year of learning about the organization and training in order to become an Active member. The Provisional Program runs from July through May and seeks to connect Provisionals with each other, resources in the community, and volunteer opportunities throughout San Angelo. The program provides opportunities for each Provisional to grow personally and professionally and to build friendships with other women in the community.

If at any time you have questions or concerns about the program or your membership requirements, please reach out to our Provisional Chairperson at membership@sajuniorleague.com.
