

ISSUE NO. 1
FALL EDITION

Mañana

I cannot tell you how excited I am about the league year ahead of us. It is a true blessing to be surrounded by such an amazing group of women who serve our community with such determination and passion. I have selected "Be the Light" as our theme this year to represent the league as a whole. Each of you are important to this league and I look forward to watching us shine our light into the community.

We are expected to carry on the legacy that over 75 years of women have established. We are committed as an organization to "Be the Light" in our community through our service projects, fundraising and programming.

Our largest service project, Student Closet, provides quality clothing to children in need and has a goal of serving 700 children in our community this year.

The achievement of this goal would be the largest number of kids served by this project to date. This is a huge need in our community and we are making a significant impact in the lives of these children by giving them new clothes to wear with confidence.

This past year, our newest legacy project, the JLSA Family Resource Center (located inside the Children's Advocacy Center) opened its doors and has served over 400 families. "Done in a Day" projects are one day projects that are designed to meet a specific need in the community. Over the years, we have partnered with dozens of community partners and local agencies to provide a volunteer force for organizations in need. We will also be researching new ideas to allow us to "Be the Light" in San Angelo.

Our Children's Literacy Project has put thousands of books in the hands of our community's children. This past year, we were able to install our first of many Story Walk's at Unidad Park. These story walks will not only enhance a child's reading ability but will also promote outdoor activity.

Thank you for committing to "Be The Light" in Junior League with me. I cannot wait to see what this year has in store and what all we'll accomplish together!

Stacy Greaves, 2021-2022 Junior League of San Angelo President

Stacy

JLSA Day

With support from the City of San Angelo and our Mayor, Brenda Gunter declared October 2nd as Junior League of San Angelo Day! This year, we celebrated at Raw 1899.

Thank you to everyone who stopped by for this special day. We had a wonderful event with Provisionals, Actives and Sustainers in attendance.

Summer Strategizing!

To ensure a successful year, our leadership has taken time to organize and strategize the best, most effective ways to serve our community! Casey and Joe Thieman were kind enough to open their family's beautiful ranch house to the leadership team to take a weekend to prepare for a great year.

In July, members of our Executive Board attended the West Texas Board Retreat hosted by Junior League of Abilene! While there, they listened and learned from inspiring community leaders and philanthropists from the Abilene area, and developed new leadership skills to better guide our membership to do great things!

Funds in a Day

Funds in a Day hosted a fabulous Ladies' Night Bingo Party at The House of Fifi Dubois! Over 50 people came to play and proceeds went to supporting our community efforts.

Funds in a Day organized a fun give back night at Twisted Root Burger Co. Burgers and raising money to help others, it doesn't get any better! Thank you Twisted Root Burger Co. for your support.

Student Closet

As you may know, Student Closet provides our community's children in need with brand new clothing they can feel confident in. With the new school year back in session, Student Closet has been busy filling multiple requests every week. In August, Student Closet held a shopping event where league members volunteered to shop for back to school clothing for the boys at the West Texas Boys Ranch. Student Closet, with the help of Done in a Day, threw a Back to School Bash for these 19 young men. They were given their new clothes along with 2 new TLCA polos each. The afternoon was filled with fun, laughter, and full bellies.

Student Closet also had the opportunity to collaborate with the Family Shelter and provide the children residing there with Halloween costumes. Junior League members graciously donated these costumes. A total of 14 children at the shelter had a Halloween costume to wear during this fun time.

Done In A Day

FOSTER CARE FAIR

This event was held on October 3, 2021, at The Bosque. Junior League partnered with Fostering Concho Valley Kids to provide a booth with fun games for children who attended the fair. We would like to say a special thank you to Keith Johnson from the 17th Civil Engineering Squadron for making and donating games to Junior League of San Angelo that were used for this event. These games can be appreciated at future events as well. The children thoroughly enjoyed them!

SOMEBODY'S RUSTY - LAUNDRY LOVE

This event was held on Thursday, October 21, 2021 at the Stop-N-Wash on Martin Luther King Dr. This ministry was founded by First United Methodist Church. At this event, local homeless and others who are struggling were able to wash their clothes, receive some gently used clothing, a meal, a haircut, a bath, and a "Blessing Bag". This event served over 75 people.

HALLOWEEN AT THE Y

This event was held on Thursday, October 28, 2021 at the San Angelo YMCA. With this event being held outside, it created a safe, family fun environment. There were a variety of booths that included games and food. There was also a haunted house that was both super scary and fun! This was a great event and made everyone want to come back next year!

SOUP KITCHEN

Done in a Day has scheduled monthly volunteer days with the Soup Kitchen at Wesley Trinity United Methodist Church. During those days, volunteers plan to serve over 737 meals. These events are a vital way for Junior League to actively assist within the community. League members love to volunteer at the Soup Kitchen because it helps decrease hunger in the community. The volunteers assist with cooking meals, packing up meals, and cleaning up.

Children's Literacy Project

C.A.P.S. COMMUNITY CELEBRATION

On August 11, 2021, the Children's Literacy Project participated in the C.A.P.S. Community Celebration put on by CJ Luckey.

It was a great kick off event for the Children's Literacy Project to encourage elementary students to have a successful school year. League members distributed around 100 books ranging from pre-school to middle school reading levels.

SAISD'S SAN ANGELO READS

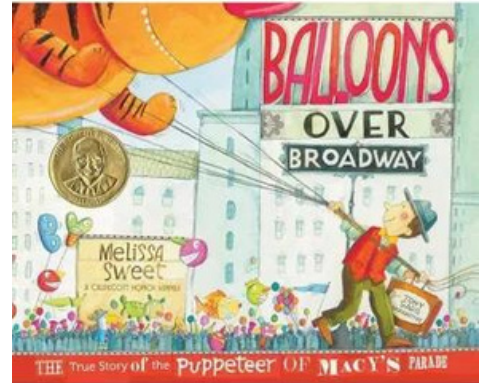

On October 5, 2021, the Children's Literacy Project contributed to SAISD's San Angelo Reads event at Reagan Elementary. It was a wonderful event that encouraged literacy in our community. Along with other organizations, we passed out books and color your own bookmarks! Over 150 students and parents attended the event. It was a lot of fun and very rewarding interacting with the students in the community. We are planning to partner with San Angelo Reads again in December for their end of semester event.

Children's Literacy Project

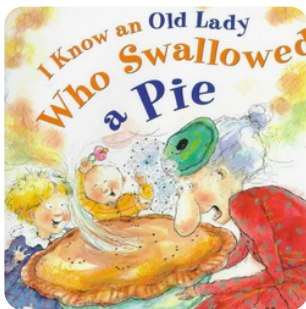

STORY WALK

Have you made it out to our story walk by Unidat Park? This past year, we were able to install our first of many story walks. What we love most about our story walk is the opportunity to enhance a child's reading ability while also promoting outdoor activity. The current book displayed on the story walk is "Balloons Over Broadway" by Melissa Sweet.

MY STORY TIME TUESDAY

Make sure to visit our Facebook page to catch the latest readings for My Story Time Tuesday. We've featured "The Invisible String" by Patricia Karst and "I Know an Old Lady Who Swallowed a Pie" by Allison Jackson. Don't forget to check back in December for "Texas Night Before Christmas" by James Price.

In addition to life announcements, the Care Committee is also dedicated to reaching out to our league members in need. If you or a friend are experiencing a hardship, or needing an extra hand, please reach out to the Care Committee. They can extend an encouraging thought or even bring a meal to help you in your time of need! Email the Care Committee Chair, Lauren Wilde Lux for more details - lauren_rwilde@yahoo.com

Sustainers

2021 is off to a great start reconnecting with our lovely Sustainers! The goal of the Sustainer Committee is to offer opportunities for ladies to get together, learn about what is happening internally in the league, give back when needed, provide volunteer opportunities, and most of all, create and foster the long-lasting friendships Junior League brings!

The committee started off the year with a kick-off event in August at the Children's Advocacy Center (CAC). Justin DeLoach assisted the committee in hosting a happy hour event for our Sustainers in the meeting room while giving tours of the new Family Resource Center!

The sustaining members also generously provided donations for the back-to-school drive for the children that are served through the CAC. This event was an incredible success with over 20 sustaining members in attendance as well as many members of the board. Everyone learned about the new facilities at the CAC and geared up for a new League year!

Provisionals

This year's provisional class has been eager to serve the community since day one.

Each provisional has participated in our monthly meetings and they are all learning about our great legacy projects. So far, they have visited Kids Kingdom, Concho Valley Regional Food Bank, and the Children's Advocacy Center, where they toured the JL resource center. We are so excited to build these women up to be great leaders and volunteers in our community.

It's always a difficult decision to select which members receive provisional and active of the month awards for going above and beyond. With all the hard work put in by our members, this page could go on and on! Keep up the good work ladies!

Western Dance

Mark your calendars now! JLSA will host our annual Western Dance on **January 29, 2022!** We are bringing the event back to The Stables at Fort Concho this year. This is our biggest fundraiser of the year and it brings fun opportunities for community and league members to attend an exciting event full of entertainment that will also fund several of our initiatives and programs. Currently, our Western Dance Committee in conjunction with our Fund Development Committee, is hard at work to gather supporters for the event. The goal is to procure live and silent auctions items and secure our event and table sponsors. Typically in past years, we have had several hundred attendees. We hope to see a great number of current, past and future JLSA Members at this years' Western Dance and to make it the best event yet!
